

# **STONE BLUE**

*"Rockin' blues with energy and showmanship"*

**This letter is to introduce you to our band, Stone Blue. We are a 4 piece group that plays Rockin'blues covers and originals. We take pride in our performances, shows, and our goal is always to make sure the audience has a memorable time whenever they see us perform. We have an abundance of contacts through email, Facebook and media, and we do whatever we can to promote the band at clubs, pubs where we play.**

**Stone Blue's repertoire includes proven songs by artists such as CCR, Eric Clapton, Tragically Hip, Tom Petty, Stevie Ray Vaughn, David Bowie, Jeff Beck, Jimi Hendrix, Big Sugar, Johnny Cash, The Band, Muddy Waters, Foo Fighters, Black Keys, Doors, Springsteen, Steve Earle, Neil Young, Bob Dylan, The Beatles and Badfinger. In addition, the band plays several original songs, written and recorded by Mark Ripp.**

**We have included a brief bio of the band members, and a sampling of Stone Blue's live performance.**

**Thank you for your time and attention.**
